

QUALITY POLICY

It is **Insert Your Company's** vision to be acknowledged as a leading provider of **insert what you do** services. We aim to ensure that quality is integrated into all of our activities and we consider this to be of fundamental importance to continually improve our **products and services**.

Our strategy is to ensure that all work conducted within the scope of our business complies with our quality objectives and applicable regulatory requirements.

Insert Your Company will work in consultation with all persons affected by our business to:

SAMPLE

ORDER NOW AND GET FULL ACCESS

- 1. Establish a quality management system
- 2. Plan, implement and maintain the system
- 3. Monitor, measure, analyse and improve the performance of the system
- 4. Establish a culture of quality throughout the organization
- 5. Identify, assess and control the risks to quality objectives
- 6. Establish a system of internal audits to verify the effectiveness of the system
- 7. Provide resources necessary to implement the system
- 8. Establish a system of communication to ensure the system is understood and implemented
- 9. Establish a system of records to provide evidence of the system's effectiveness
- 10. Establish a system of management review to ensure the system is continually improved

Insert Your Company is committed to providing high quality products and services to our customers. We will continue to invest in our people, processes and technology to ensure we meet the highest standards of quality and customer satisfaction.
