

# SAFETY BRIEFING FOR VISITORS

## Introduction

We are wholeheartedly committed to achieving an incident-free workplace and we plan to make your visit a safe one.

Please listen closely to all instructions and comply with all site signage to ensure that your visit is as safe as possible.

**Note:** This visitor's brief is only valid for persons visiting the site or performing low risk work under strict supervision.

Low risk activities are activities carried out in the office and non-operational areas of the site where the risk of injury or illness to a person is low — examples are attending meetings, repair and maintenance of low risk appliances, etc.
